*A highly recommended course... It has honestly added a new dimension, an extremely important skill, to my teaching. The trainers are professional, intelligent and very approachable. This is one course that I'll remember for years to come.*

~ Priya Goswani

## THE GLOBAL MARKET AND YOU

Recently, with the worldwide growth of the English language teaching sector, professional standards for teachers have increased.

The ACE TESOL Certificate will give you the tools, the experience and the edge to be competitive in this expanding market.

The ACE TESOL Certificate uses the most current teaching methodologies with a strong focus on practical teaching skills. You will learn how to teach through pair work, small group work, teaching demonstrations and discussions.
